The flight property of the airline company qualifies for a 50% tax capacity reduction available under Minnesota Statutes, section 270.074, subdivision 3b. The airline meets the following requirements:

Initial Here

- The majority of the fleet (both owned and leased) are turboprops; AND
- In six or more months during the past year, the airline provided passenger service to 3 or more airports that serve qualifying small or medium sized communities.

By signing above, as representative of the above-named company, I certify that I am the above entitled officer of said company, and I attest that the electronic file and the accompanying schedules and statements have been examined by me and that, to the best of my knowledge and believe, the report is true and complete for the year stated.

Making false statements on this report is against the law. Minnesota Statutes, section 609.41 states that anyone giving false information in order to avoid or reduce their tax obligation is subject to a find of up to \$3,000 and/or up to one year in prison.

*Title person must be a company President, Vice President, General Superintendent, Tax Agent, or some other general officer of the company reporting airline company, who is authorized to file this report.
